

CAMPING CAP-OUEST INTERNAL RULES

Introduction

Any installation on the campsite requires the permission of the campsite manager. Staying on the campsite implies acceptance of the provisions of these rules and the commitment to comply with them. Any infringement of these rules may result in the immediate expulsion of the person responsible. Any person staying at least one night on the campsite must be able to present an identity document and a certificate of civil liability insurance covering the members of the family against damage caused to others at the reception desk and complete the required formalities.

Health measures (Covid-19)

They will be specified in accordance with the government guidelines in force at the time of opening.

Identification of campers

A green bracelet will be given to all campers staying on the campsite against a deposit of 5 € to allow the management team to identify them easily and to limit access to intruders, particularly in the sanitary blocks. In addition, **this bracelet allows the activation of the showers in our sanitary blocks.**
